

10 Ways

NTEU has your back

1 Negotiates the strongest contracts in the federal sector

5 Challenges unfair contracting policies

9 Pushed for maximum telework, federal building closures and health and safety measures

4 Represents federal workers every day on space changes, performance appraisals, work schedules, and more

8 Stopped Congress from cutting your pay and pensions

3 Secures hundreds of millions of dollars in back pay for employees denied OT

7 Secured paid parental leave and is pressing for a broader paid family leave program

2 Litigates cases through the federal courts all the way to the Supreme Court

6 Ended the federal pay freeze

1 Advocating for expanded telework options after the pandemic subsidies
